“ I have had a very happy life. I love to work and I love to play! ”

Faye, ready for her Prom.

Faye Ross' happy life has included family, friends, lots of activities and two successful careers — teacher and entrepreneur. She taught English, Latin, French and drama to children from various backgrounds. As entrepreneurs, Faye and husband Hector built Ross Iron & Tank from the ground up. Her duties ranged from bookkeeping and secretarial tasks to semi driver, sales negotiator and vice president. Read more about Faye Ross and her fascinating life: www.adlercentenarians.org
